**Subject:** Discontinuation of Syphilis Multiple Outfits  
**Importance:** High

Hello All,

As of Monday, 3/2/2009 we will no longer prepare and distribute **Syphilis Multiple Outfits (mailing or Courier)**. They will be replaced by the **STD Outfits (mailing and courier)**, the only difference is that one is addressed to the **SYPHILIS LAB** and the other is addressed to the **STD LAB** and the STD Outfits do not include requisition forms. Therefore when you are taking an order for outfits and they ask for Syphilis Multiple Outfits (mailing or Courier) explain they were replaced by the STD Outfit and they will need to order requisitions separately. You will then have to place an order for the requisitions when you place the order for the kits; the requisitions are supplied as EACH or in PADS of 50.

Thank you,

Alan

Kathy,

Please let me know what I need to do to have the necessary changes made in the Manual.
